---

16<sup>th</sup> December 2016

**Additional work to be included with quote for contractors wishing to quote for the Grounds Maintenance contract for and on behalf of Cheswick Green Parish Council**

Note current specification states Car Park: Four times per year (only the part that is in Parish ownership, please see map at Appendix 5). This is in relation to the edges of the car park and should also include:-

A weekly litter pick is to be carried out on the main car park (excluding the pub area and the area between the garages) every week preferably Monday and Friday?

Please print this additional requirement and add it to the specification and please confirm that you have done this before submitting your quote.  
Thank you.  
Apologies for any inconvenience.

Yours faithfully,

Marie Zizzi  
Clerk  
Cheswick Green Parish Council
