FREE DEFIBRILATOR

Early in 2016 Alex Insley, one of our Ward Councillors, arranged for the Parish Council to be provided with a free defibrillator by West Midlands Ambulance Service NHS Foundation Trust. This was one of many that were being distributed by West Midlands Ambulance Service across the region.

The Parish Council had to arrange for a metal cabinet to be purchased to house it securely, and for installation of this in an accessible position. Initially, two or three different positions were considered, but eventually it was decided that it should be attached to the front of the village hall, alongside the front door. The cabinet is now in place, and the actual defibrillator will be delivered when free training is provided on Monday 10th April 2017 at 4pm in the Village Hall, for anyone that would like to attend.

This will be a useful resource, that hopefully won't need to be used too often, and our thanks must go to Alex Insley and Andy Jeynes of WM Ambulance for providing it.

Free defibrillator training

Monday 10th April 2017

4pm in the Village Hall

***Please come along to this
important session - everyone
welcome***

**Training will be provided by a
member of the West Midlands
Ambulance Service NHS
Foundation Trust**
