Dear Shopkeepers

**FORECOURT TO SHOPS AT 12 – 22 CHESWICK WAY
Litter Picking and maintenance of the Shrub beds**

Further to the Parish Council's letter dated 24th February 2017 putting forward proposals and details for the renewal of the scheme for a regular litter pick and to keep the area in front of the row of shops tidy, at a more favourable cost than last year, it is with regret that the scheme will not be continuing.

Only one shopkeeper promptly confirmed that they wished to renew by the deadline date of 10th March. Over the last two weeks a member of the Parish Council has visited the other shopkeepers, on several occasions, with a view to encourage participation in the scheme. Despite these efforts, no one else has signed up to the scheme that was to commence on 1st April.

It was explained that the scheme could only proceed if all shopkeepers participated. Consequently, the Parish Council is disappointed that it will not be able to continue with the scheme that comes to an end on 31st March.

Please inform your bank that your Bank Standing Order should cease on 31st March.

No doubt you will be co-operating with each other over the future litter picking and the maintenance of the shrub beds and roses.

Yours sincerely

Marie Zizzi
