

Outline Planning Application for Golf Academy with new road access and residential development by Shirley Golf Club

Concern has been raised about this application particularly by residents in Creynolds Lane.

Shirley Golf Club is proposing to build a Golf Academy which will have road access from Creynolds Lane. The Golf Club is also proposing residential housing which could include about 100 two or three storey properties.

The residential development is in Green Belt and there is concern about increased traffic congestion in Creynolds Lane.

Cheswick Green Parish Council will be holding a Public Meeting in Cheswick Green Village Hall on Thursday 28th July at 7:30 p.m. to discuss this application.

All residents are welcome.

Representatives from Shirley Golf Club and Ward Councillors will be invited to attend.
