

January 2022

Cheswick Green Parish Councils response to requests to add links etc. to its website.

It has been agreed (*see Wednesday 12<sup>th</sup> January 2022 Minute 192.2*), that Cheswick Green Parish Council will only include links from its website to public bodies.

This is due to the volume of requests received and some requests being deemed as inappropriate, if various individual requests to other websites were permitted this would set a precedent for future requests.
